COMMENTS FROM THE TOWN MANAGER'S OFFICE

The highway preparations for winter are very nearly completed. The winter sand has been stockpiled, the plow frames are on the trucks, and the snow fence is up. There still remains some front end work on the Chevrolet Coleman. The Chevrolet Coleman is a 1946 so it will be at least the twentieth winter that it has been used to plow snow. The highway crew has some other small jobs such as marking culverts. It is a good thing that the winter preparations have been made early because the highway crew will be very busy hauling away the elm trees that are to be cut down a little later.

I mentioned a while ago that the engine of the front end loader was being repaired. A complete motor job was done and it cost \$640.00. That is a lot of money but the cost would have been more if the engine had been diesel.

Someone asked me the other day why the town hadn't built any road this summer. The town crew built two pieces of town road improvement. One section was on the Flat Road and the other section was the Chapman Hill Road. The town also paid about half the cost of the state aid road on Route 35 that was constructed by the state this past summer. Nearly all of the planned work was done or will be done before the end of the year.

In addition to the planned projects, the bridge over Chapman Brook on the Northwest Bethel Road was re-built and some gravel was applied to some of the dirt roads that get muddy each spring. I am satisfied that most of the work laid out for the year was completed and now it is time to start thinking about the plans for next year.

11 INCHES OF SNOW IN UPTON

It was reported this Thursday morning that Upton had a snow fall of from nine to eleven inches.

Mr. and Mrs. Harvey Sweetser are on a trip to Florida.

COULD - HALL-DALE TIE; SHARE STATE "C" AND MVC CHAMPIONSHIPS

The state Class C championship and Mountain Valley Conference title remained in a deadlock after undefeated Gould Academy and Hall-Dale High School battled to a 7-7 standoff for the titles before more than 2,000 fans at Alumni Field last Thursday.

A tremendous goal-line stand late in the fourth quarter by the visiting Bulldogs averted a "break" score for Gould. The local Huskies picked up a fumble inside the H-D five, but were unable to make the score. A desperation field goal attempt by George Nickerson with less than a minute to go from the H-D 20 went just a shade to the left.

The standing-room-only crowd expected a high scoring contest after the first five minutes in which both clubs scored touchdowns and conversions.

The Huskies started the fireworks following a fumble recovery on the H-D 31. It took just six plays before bruising fullback Ray Atwood crossed the scoring stripe from the four on a cross-back. Nickerson split the upright on the ensuing placement.

Just two plays following the subsequent kick-off, stellar H-D right halfback Jim Browne scampered into the end zone from the seven. The scoring play was set up by the game's longest run, 55 yards by sophomore fullback Harry MacPherson. Browne rushed the extra point to tie the game and end the scoring.

Gould ended the season with a 6-win, 1-tie record while Hall-Dale had run off seven straight victories prior to Thursday's tie. The Bulldogs' contest with Class B Lisbon was a non-Mountain Valley Conference clash and is not to be considered in figuring the "C" championship.

BOY SCOUT FINANCE CAMPAIGN IN PROGRESS

Scouters and friends have organized to cover the streets and areas of Bethel township and solicit funds to carry on the Scouting program of the Rangely District Pine Tree Council, in the Bethel area. It is hoped that calling can be completed before Thanksgiving.

Some 20 or more boys are attending regular Scout meetings. These are under the direction of Scoutmasters Ernest Perkins, Ernest Mundt, Frank Vogt, Clarence Howe and Irving Cummings. The Cub Pack also includes about 20 younger boys with Donald Walker as Cubmaster. Much appreciation is due these men who are giving of their interest and time to the boys in the troop.

Mrs. Irene Russell of Hallowell is spending some time visiting her daughter and family, Mr. and Mrs. Robert Chadbourne.

Two or three inches of snow Tuesday morning was followed by rain and thunder showers in the Bethel area Wednesday. Thursday is featured by snow flurries and windy weather.

TWO NEW BUSES TO BE PURCHASED BY SCHOOL DISTRICT

Purchase of two new school buses before the end of 1965 was authorized by SAD 44 directors at their meeting at Andover High School Monday evening.

It is expected the buses will be delivered in time to replace two older buses by the start of the 1966 school year. A further study of their condition was recommended before deciding more definitely which ones should be replaced.

An insurance needs survey is being made through the district, and, when complete, the "package" will be circulated for bidding.

Long range plans for closing some of the schools by 1967, deemed necessary for budget preparation, was referred, for further action, pending a projection of school space usage for 1967, by Supt. Horace Maxey and his principals.

Parent-teacher groups will be consulted before a recommendation is made regarding eighth grade graduation ceremonies at Crescent Park, Bethel, and the Locke Mills schools.

The latest revision of the curriculum for grades 7-12 was presented by Richard Melville. Supt. Maxey said it is as "final" as it can be until it is shaped to the students who will be attending the school.

Members of the Educational Advisory Committee of 100 were to receive copies of this curriculum at a meeting at the Crescent Park School Wednesday evening. District chairman James Stowell said its members would also receive description of their duties and be briefed on the new school building program. The full committee will meet Wednesday evening following regular semi-monthly Monday board meetings.

James Fiske, chairman of a special committee for a teachers' reception, reported it would be held at the West Parish Congregational Church, Dec. 9. It was noted this should be a dinner meeting for district directors, all SAD 44 teachers, and Gould Academy teachers. The next regular session will be at the Locke Mills School, Dec. 6.

PHYSICIAN ATTENDS BRIDGTON MEETING

On Wednesday of this week Dr. John Young attended a Scientific Session sponsored by the Maine Chapter of the American Academy of General Practice. The session was held at the Base Lodge of the Pleasant Mountain Ski Area in Bridgton.

The program included talks on Emergency Treatment of Hand Injuries, Office Procedures for Evolving Breast Lumps, Evaluation of Thyroid Function Tests, Mononucleosis Test, Office Pathology, and the program concluded with a tour of the Northern Portland Memorial Hospital, Bridgton.

STATE ROAD PATROL STARTS 12th SEASON

The State Highway Commission's night patrol began its twelfth season last Saturday, keeping watch on the condition of about 2,000 miles of the state's most traveled highways, including 125 miles of Interstate Highway.

The major purpose of the patrols is to alert the plowing and sanding crews if needed. Patrolmen also carry enough sand in their trucks to cover short, icy sections of road in dangerous locations and are prepared to aid motorists in distress.

During their nightly tour of duty, patrols contact their division offices by radio at least once each hour, reporting weather and road conditions.

Motorists may wish to make note of the phone number of the Rumford highway office so they can take advantage of this road condition reporting service. Rumford Division Office, 36 Exchange Street—telephone 364-3391 and 364-2281. Office open 24 hours a day, seven days a week. Late state-wide reports available after 6 a. m. and 10 p. m. every day of the week. Reports available on roads that are patrolled in this division at any time, day or night.

HEALTH COUNCIL FINDS "LOAN CLOSET" IS NEARLY BARE

The loan closet is located at the garage of Mr. and Mrs. Richard Pierce on Broad St., and it is usually stocked with crutches for adults and children, wheel-chairs, a walker, hospital beds and a hospital table. During the past year these things were loaned to people for their use. Since the Health Council has had requests for some of these items, they would like to have anyone who has borrowed and is no longer using the equipment to return it to the Pierce garage.

FUND DRIVE FOR RETARDED THIS WEEK

The annual drive of the Oxford County Association for Retarded Children is the week of Nov. 11. Of the funds received, 75% will be for the Hope Training School, Mexico. Mrs. Ann Greenleaf, chairman for the Bethel area, has appointed the following assistants: Ralph Royer, Mrs. Ernest Bice, Mrs. Avery Angwine, Mrs. Mary Ann, Mrs. Monique Bello, Mrs. Sandra Carson, Mrs. Clinton Jenkins, Mrs. Arlene Brown, Michael Houlahan, Mrs. Elaine Packard, Mrs. C. W. Lewis, Mrs. Lester Cardidge Jr., Mrs. Roberta Mason, Mrs. Ellen Roy, Mrs. Arlene Morrill, Mrs. Dora Gayland Benson, Mrs. Sue Kureland, Kenneth Stevens, Loretta Fiske, Mrs. John Saunders, Mrs. Gerry Shimamura, Mrs. Bryce Yates, and the Boy Scouts.

NATIVITY SCENE TO BE PRESENTED SUNDAY, DEC. 19

Committees Named for 2nd Annual Pageant

Townpeople of Bethel will again proudly offer their fine contribution to the Christmas season, the Living Nativity Scene, on the Common, Sunday, Dec. 19. This unique and beautiful pageant, presented for the first time last year, was shown and acclaimed by television's WMTW-TV viewing audience on Christmas Eve. Its great success was due to the tremendous support of all Bethel people and participation by all Bethel churches.

Mrs. Susan Farrar, general chairman and coordinator, has appointed the following committees, hopefully anticipating that those who so skillfully served in these capacities last year will again be willing to assume the responsibility: calling committee, Mrs. Madge Vogt; publicity, Mrs. Rosabelle Tift; clearing common and traffic control, Roderick McMillin; lights, Fred McMillin and Blake MacKay; stable, Ernest Perkins, Stanley Davis and Boy Scouts; special lighting, Paul Pearce; Christmas trees, American Legion; Christmas tree decoration, American Legion Auxiliary; manger, James Browne; feeding, Richard Carter; costumes, Philippa Glines, Marilyn Fiske, Nellie Frankiewicz, Carolyn Merrill, Neta Littlefield, Sue Fiske and Emily Saunders; pantomime direction and make-up, Irma Thompson; props, Arlene Brown and Virginia Keston; refreshments for cost between scenes, Girl Scouts; guiding stars, Crescent Park School children.

Bethel area people, interested in assisting on any of the committees, are requested to contact Mrs. Susan Farrar.

UNION THANKSGIVING SERVICE WEDNESDAY NOVEMBER 24

The congregations of the Protestant churches in Bethel are invited to worship as a community at the Thanksgiving service on November 21 at 7:30. The clergymen from the community who will be participating are Rev. Clifford Laws, Congregational pastor who will be delivering the Thanksgiving Sermon; Rev. Robert Jackson of The Bethel Church of the Nazarene; Rev. Father Charles Nelson of the Chapel of Christ the King, Episcopal; Rev. Donald Hess, pastor of the Bethel Methodist Church.

The service is to be held this year at the Methodist Church and the choir of the churches will join to present special music. Some of these will probably be or long one more rehearsal of music before Thanksgiving Eve, and persons who would like to contribute their voices to the joint choir are asked to contact Mrs. Richard Littlefield.

20 SECONDS WITH THE NAZARENE

How often with our Heavenly Father's blessings, we are like the street urchin when he had asked a passer-by for a nickel. When he received it, he stuffed it in his pocket, and without a "Thank you" said: "Gimme a nuther one." A thankful spirit helps us over life's hard places, adorns our religion, and honors him from whom flow all our blessings.

Mr. and Mrs. William Bancroft visited her daughter, Judy Lapham, a student at Thomas College, Waterville, on Sunday.

Mr. and Mrs. Ralph Kimball, Ethel and Sylvia, Mr. and Mrs. David Swayne and Kasei spent Saturday evening with Mr. and Mrs. Herbert Adams.

CHRISTIAN SCIENCE
THANKSGIVING SERVICES
AT BERLIN CHURCH

The traditional Thanksgiving Day service of First Church of Christ Scientist, Main and Tenth Street, Berlin, N. H., will take place at 11 a. m. Thursday morning, Nov. 23.

Friends, neighbors, and the public are especially invited.

This annual service is distinctive for its concluding testimony period when any Christian Scientist in the congregation may rise to his feet and openly express his individual thanks to God for blessings received.

A hymn and reading of the President's national Thanksgiving Day proclamation will open the service, followed by Scriptural selections, prayer, and a Lesson-Sermon on "Thanksgiving" taken from the Bible and from "Science and Health with Key to the Scriptures" (the Christian Science textbook, by Mary Baker Eddy).

This year's Thanksgiving readings include Jesus' well-known injunction, as recorded by Matthew: "Seek ye first the kingdom of God and His righteousness; and all these things shall be added unto you"—and these lines from Science and Health: "God is not moved by the breath of praise to do more than He has already done, nor can the infinite do less than bestow all good, since He is unchanging wisdom and Love."

BETHEL SAVINGS BANK AWARDED PLAQUE BY PORTLAND BANK

The trustees of the Bethel Savings Bank at their Nov. 5, 1965 meeting were honored by the gracious presence of Hubert Hauck, President and Bernard B. Moir, Vice President of the First National Bank of Portland, Portland, Maine.

The occasion of this visit was to convey to the Bethel trustees their personal appreciation of the First Portland's 35 years of association with the Bethel Savings Bank and to present the bank with a handsome Maine-made bronze plaque in recognition of this relationship.

In turn the Bethel Savings Bank trustees voiced their continued satisfaction with, and appreciation of, the services rendered by the First Portland since the first contract was authorized on Nov. 1, 1930, by the then trustees: J. H. Wight, F. F. Bean, F. A. Brown, L. W. Hamwell, and A. E. Herrick. Initially the First Portland lent to the Bethel Savings Bank a deposit box for their securities, until now the services have increased to entire expert custodianship including trust department facilities and a checking account which afford the very best protection for the bank's depositors.

Willert Bartlett of Hampden was in town on Saturday.
